

Fall sailing at Waubuno Beach

North Star, Community, Wednesday, December 13, 2006

Jeff Beitz, from Georgian Bay Marina, and his sailing friend Scott Walker, of Alliston, took advantage of the unseasonably mild weather on November 25 . Here the two are pictured sailing from the new Sail Parry Sound sailing centre located at the end of Waubuno Beach. Although the water temperature was a chilly 2 C, it did not stop the two from enjoying a beautiful afternoon.
